

Applying the Truth

God & Our Gifts

11/1/09

Read Phil. 4:14-23. Now go back through, verse by verse, and state as many principles about money and giving that you can find. What are some practical applications for those principles that you find?

Read Matt. 6:19-21. This has been called "The Treasure Principle". How would you state The Treasure Principle in your own words based on these verses? Do you really believe that it is possible to build treasure in heaven? How does that change your attitude about giving?

Read 2 Cor. 9:6-11. Again, go back through these verses slowly and look for the principles for giving. Discuss how they can be applied to our lives today.

For further study look up these passages and continue to learn about the blessings of giving.
