This community group is committed to being open to those who haven't been in church their whole lives. We are a group of adults in the 35 - 50 age range with elementary age kids on up. (However, we all look like we are still in our twenties and act like we don't have kids). We meet twice a month on Saturday evenings and we eat a lot, have a Bible study/discussion and have a lot of fun together. *Current Study: Following the Sermon Series*

## Woodcreek Church Community Groups

In the prayer of Jesus, just before the resurrection, he prayed for you and me, "I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me." (John 17:2)

Here at Woodcreek Church we are a church of small groups, rather than a church with small groups. We believe that the greatest chance for authentic and deep spiritual change comes through being connected with other Christians in a small group.

Couples and singles are welcome in any of our Community Groups. Usually, they meet twice a month in member's homes for Bible study, sharing, prayer and good food. The groups are voluntary in that you choose when you join and even what group to join. However, we strongly encourage every one who considers Woodcreek their church home to join one of our small groups and a Community Group just might be the right place for you.

Take this booklet and read about the Community Groups we have to offer. Give the leader a call and he or she will take it from there. If you want to visit more than one group, go for it. But please take the first step and make the call. We are confident that you will be glad you did.

Blessings,
