What is the primary goal of the Marriage Ministry?

Our Marriage Ministry aims to support couples at every stage of their relationship. Whether you're preparing for marriage, seeking to enrich your bond, or need guidance for realignment, we provide resources and support to help you build a relationship that honors God and brings you both joy.

How can we get involved in the Marriage Ministry?

Couples can get involved by attending our workshops, joining marriage groups, or participating in our events and retreats. For specific opportunities and schedules, please contact our ministry team.

Do you offer premarital counseling?

Yes, we offer premarital counseling sessions that focus on preparing couples for the lifelong commitment of marriage. These sessions are designed to set a strong foundation and equip you with the tools for a successful union.

What resources are available for couples looking to enrich their marriage?

We provide a variety of resources, including enrichment seminars, couple's devotionals, and mentorship programs, all aimed at deepening your connection and spiritual alignment.

Can you help our marriage if we are struggling?

Absolutely. We believe that every marriage has the potential for restoration. Our "Repair" resources include counseling referrals, support groups, and even healing workshops tailored to help couples navigate challenges and rebuild their relationship.

Is the Marriage Ministry only for church members?

No, the ministry is open to all couples who seek to foster a God-centered marriage. While church members may have access to additional resources or member-specific events, our core offerings are available to the community.

Are there any costs associated with the Marriage Ministry programs?

Some programs may have a fee to cover materials, resources, or event costs. We strive to keep these minimal and offer financial assistance when possible to ensure no couple is excluded due to cost.

How can we find a mentor couple?

Reach out to our ministry team, and we'll connect you with an experienced mentor couple who can offer guidance, share experiences, and provide support as you navigate your marital journey.

What can we expect from a Marriage Ministry event?

Our events range from casual get-togethers to more structured workshops and retreats. They're designed to facilitate meaningful conversations, provide biblical insights into marriage, and offer practical advice for a loving, resilient relationship.
